

REMARKS

The Notice dated June 23, 2009 indicated an error in the annotation of amendments relating to dependent claim 53 which was being converted to independent form by including the limitations of base claim 38 and a portion of intervening claim 51. Applicants have properly annotated the changes made to claim 53 in this Response.

The time period for reply the June 23, 2009 Notice is believed to be one month because the non-compliant amendment was an amendment filed in connection with a Request for Continued Examination (RCE). This Response is being filed within that one month period. No extension of time is believed necessary.

Additionally, Applicants are submitting herewith only the corrected section (the Listing of Claims) in response to the Notice.

Entry of the amendment is requested.

In view of the foregoing, Applicants respectfully submit that the application is in condition for favorable action and allowance.
